33. island, order, male

34. code, array, womb

35. thin, tissue, DNA

36. virgin, birth, egg

37. "Information is key and lock. Information is One. Information is coherent and indivisible. Information is the ultimate existence."

TRUE | FALSE? AND WHY? (If not justified, the answer will be considered wrong)

38. "Information spawns itself within and beyond the entire Universe and Existence. Beyond the realm of Space, Time, Energy and Matter".

TRUE | FALSE? AND WHY? (If not justified, the answer will be considered wrong)

39. "Information as Parthenogenesis can channel itself boundless onto the Surrendered inward-aware & outside-aware Free Mind. Information has singular Nature which is complete freedom to instantiate itself bound and unbound."

TRUE | FALSE? AND WHY? (If not justified, the answer will be considered wrong)

40. "Information enables Man (Earthlink) to create something and everything out of perceptual nothingness. Emptiness of information is Fullness of the One. One is not mere Data. One is creation as in Parthenogenesis in the Matrix out of immaterial Still Seed. Being One is the art of feeling bliss while Loving and being Loved deep without and within".

TRUE | FALSE? AND WHY? (If not justified, the answer will be considered wrong)
